Our Syllabus

- At Campus Rangers International, we use the Cambridge Assessment International Education (CAIE).
- CAIE prepares learners for life, helping them develop an informed curiosity and a lasting passion for learning.
- The Cambridge Pathway gives learners a concise path for educational success from ages 5 to 19.
- Schools can shape the curriculum based on how they want learners to learn – with a wide range of subjects and flexible ways to offer them.
- CAIE enables learners to discover new abilities, a wider world, and gives them the skills they need for life, so they can excel at school, university and work.
- Our qualifications are recognised by universities and employers worldwide as evidence of academic achievement.
- Cambridge IGCSE Certificates are general qualifications that enable candidates to progress either directly to employment, or to proceed to further qualifications.
